

April 30, 2020

We have no outstanding results for either residents or staff and no new swabs have been sent today. We tested three people yesterday who were all negative, bringing our numbers to 31 tested, 31 negatives for COVID-19.

Recreation Department has been super busy over the past six weeks as they try to keep residents active. In April they hosted 165 interactions by phone, FaceTime, Skype and Zoom, connecting 46 residents with various family members. It takes significant effort on their part to keep residents in touch with loved ones while continuing with small group or individual programming; but they are willing to do as much as they can to keep you connected. Reach out to recreation at ext. 119 if you would like to book a call or video chat.

Although we are not accepting dropped off items, sending letters and pictures are a great way to keep in touch. We don't want you out shopping for items to send, but small items or notes by Canada Post are welcomed.

As always you can call Angela Berrette, Executive Director at 902-429-0550 ext. 103 or reach out by email at aberrette@svnh.ca should you have any questions or concerns.
