

March 18, 2020

Today's update mirrors yesterdays. We remain closed to all visitors, family members and volunteers in addition to non-essential outside contractors and health care providers. As hard as it is to stay away, it is the best way to keep the residents safe. We can arrange a phone call or a video chat with a resident; you can drop items off for your loved one and send emails we will print to reception@svnh.ca.

We have no active or confirmed cases of COVID-19 among residents and we have no residents who meet the specifications which would require testing for COVID-19. All staff are self-screening for symptoms, and we screen all those who call in with illness. Of those out ill, we have no staff who have reported being recommended for testing by 811.

We are experiencing no staffing shortages or supply concerns at this time.

Please get in touch if you have concerns or questions.
