

March 23, 2020

We remain closed to all visitors, family members and volunteers in addition to non-essential outside contractors and health care providers.

We have no active or confirmed cases of COVID-19 among residents and we have no residents who meet the specifications which would require testing for COVID-19. All staff are self-screening for symptoms, and we screen all those who call in with illness. Of those out ill, we have no staff who have reported being recommended for testing by 811. We are experiencing no staffing shortages or supply concerns.

Staying away is hard on you and hard on the residents. We are working to keep everyone busy but please feel free to call for updates or to arrange a phone call; we are also able connect you through facetime, skype or Whatsapp to live (call recreation at 902-429-0550 x 119 for details). We will print and deliver emails sent to reception@svnh.ca. Besides regular mail you can drop items off at the front door. We can't accept perishable goods as we must quarantine all items for 48 hours before delivery if we are not able to sanitize the items safely.
