We have no outstanding test results and no one displaying symptoms requiring testing.

This afternoon the province announced the reopening of many businesses on June 5th. This is great news and shows we are moving in the right direction. Unfortunately, we do not yet know when long-term care homes will reopen. Under the public health order we are still required to remain closed to visitors which includes visitors on the property even if social distancing is maintained.

We are thankful for your continued support and look forward to when we can welcome you back.
